Subject: Permits Suspended for Failure to Pay Required Permit Fees, Nephi Sandstone Corporation, Soma Quarry and Champlin #1, S/023/0065 and S/023/0104, Juab County, Utah

Response Required by August 30, 2013

Dear Mr. Evans:

Authorization under the Utah Mined Land Reclamation Act to mine requires the annual payment of permit fees. Records of the Division of Oil, Gas and Mining indicate Nephi Sandstone has failed to remit permit fees for the referenced mines for 2009, 2010, 2012 and 2013. Fees were not required in 2011. **Authorization to operate under these Notices of Intention is suspended.** The total amount due is \$600.00 for each site.

Please provide payment by August 30, 2013. Failure to pay permit fees is grounds for taking enforcement action with associated civil penalties, withdrawal of a Notice of Intention, and for requiring immediate reclamation. This could result in forfeiture of the reclamation surety if the site is not reclaimed.

If you believe the Division records are in error, you may provide a copy of cancelled checks to document your past payment(s). If you have addition questions or concerns regarding this letter, please don't hesitate to call me at (801) 538-5261 or Wayne Western at 538-5263. Thank you for your prompt response.

Sincerely,

Paul B. Baker
Minerals Program Manager
